

**Marco Giraldo**  
**CEO TourCert**

Mr. Giraldo has many years of experience in the field of the international hotel industry. He was involved in the opening of various hotels in Germany. Since 2014, he has contributed with his know-how to KATE's environmental and development consultancy services. After the renaming of TourCert GbR into a gGmbH, he took over the position of Managing Partner in 2015. In addition to the consulting and certification activities, TourCert is involved in international projects and is thus committed to a change in tourism.
