

Jon Erni
Director Enterprise & Partner Group Microsoft Switzerland
Chairman mia Engiadina

Jon Erni is an Electrical Engineer graduated from Eidgenoessische Technische Hochschule Zuerich (ETH), holding an Executive MBA from Hochschule St. Gallen. He has 20 years of professional experience gained in global and local companies located in Zurich, Switzerland (14 years Alcatel-Lucent, 3 years Sunrise Communications, 3 years Microsoft).

After 5 years in different functions related to delivery activities (Technical Training, Project Management) at Alcatel-Lucent, he was assigned to different leadership roles in Delivery, Sales and General Management. During his 3 years with Sunrise Communications, Jon launched a new brand for the Business Customers department (Business Sunrise) and successfully implemented the turn around of this important division.

He is experienced in leading cross-functional teams in the B2B segment and has a significant track record in change management projects. He is actively engaged since 3 years in a project called "mia Engiadina", which helps to develop a remote area of Switzerland by using the possibilities of the digitalization.
