

Michael Kerkloh
President and CEO Munich Airport

Munich Airport, run by Flughafen München under the leadership of Dr. Michael Kerkloh, is one of the most successful airports in Europe and was the continent's first five-star airport.

Alongside the presidency of the German Airport Working Group ADV, Dr. Michael Kerkloh is a member of the governing bodies of a number of important industry organizations including the executive committee of BDL, the German Aviation Industry Association, and board of Airport Council International (ACI), the European umbrella organization for international airports, where he is Vice President. In this role he represents ACI Europe on the World Governing Board of ACI World.
